**ADMINISTRATIVE ORDER  
ON CONSENT**

**SECOND DE MINIMIS  
SETTLEMENT**

**I. JURISDICTION**

1. This Administrative Order on Consent ("Consent Order" or "Order") is issued pursuant to the authority vested in the President of the United States by Section 122(g)(4) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9622(g)(4), to reach settlements in actions under Section 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607. The authority vested in the President has been delegated to the Administrator of the United States Environmental Protection Agency ("EPA") by Executive Order 12580, 52 Fed. Reg. 2923 (Jan. 29, 1987), further delegated to the Regional Administrators of the EPA by EPA Delegation No. 14-14-E (issued Sept. 13, 1987, amended by memorandum June 17, 1988), and further delegated to the Director of the Superfund Division, Region V, by EPA Region V Delegation No. 14-14-E. This Consent Order is also issued pursuant to the authority vested in the Illinois Environmental Protection Agency ("Illinois EPA") by Section 22.2a of the Illinois Environmental Protection Act, 415 ILCS 5/22.2a.

2. This Administrative Order on Consent is issued to the persons, corporations, or other entities identified in Appendix H ("Respondents"). Each Respondent agrees to undertake all actions required by this Consent Order. Each Respondent further consents to and will not contest EPA's and Illinois EPA's jurisdiction to issue this Consent Order, or authority to implement or enforce its terms.

3. By entering into this Administrative Order, Respondents do not make any admission of fact or law. Respondents retain the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Consent Order, the validity of

the Statement of Facts or Determinations contained in Sections IV and V, respectively, of this Consent Order.

## **II. STATEMENT OF PURPOSE**

4. By entering into this Consent Order, the mutual objectives of the Parties are:

a. to reach a final settlement among the Parties with respect to the Site pursuant to Section 122(g) of CERCLA, 42 U.S.C. § 6922(g), that allows Respondents to make a cash payment, including a premium, to resolve their alleged civil liability under Sections 106 and 107 of CERCLA, 42 U.S.C. §§ 9606 and 9607, for injunctive relief with regard to the Site and for response costs incurred and to be incurred at or in connection with the Site, thereby reducing litigation relating to the Site;

b. to simplify any remaining administrative and judicial enforcement activities concerning the Site by eliminating a substantial number of potentially responsible parties from further involvement at the Site;

c. to obtain settlement with Respondents for their fair share of response costs incurred and to be incurred at or in connection with the Site by the EPA Hazardous Substance Superfund, and by private parties; and to provide for full and complete contribution protection for Respondents with regard to the Site pursuant to Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5), and

d. to obtain settlement with the Respondents for their fair share of emergency response and other costs incurred and to be incurred at or in connection with the Site by the Illinois EPA pursuant to the Illinois Environmental Protection Act, 415 ILCS 5/22.2; and to provide for full and complete contribution protection for Respondents with regard to the Site pursuant to the Illinois Environmental Protection Act, Section 415 ILCS 5/22.2a.

## **III. DEFINITIONS**

5. Unless otherwise expressly provided herein, terms used in this Consent Order that are defined in CERCLA or in regulations promulgated under CERCLA shall have the meaning assigned to them in the statute or regulations. Whenever the terms listed below are used in this Consent Order, the following definitions shall apply:

a. "CERCLA" shall mean the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. § 9601, et seq.

b. "Consent Order" or "Order" shall mean this Administrative Order on Consent and all appendices and errata sheets attached hereto. In the event of conflict between the errata sheets and this Order, the errata sheets shall control. In the event of a conflict between either the errata sheets or this Order, and any appendix, the errata sheet or Order shall control.

c. "Day" shall mean a calendar day. In computing any period of time under this Consent Order, where the last day would fall on a Saturday, Sunday, or federal holiday, the period shall run until the close of business of the next working day.

d. "Emergency Response" shall mean the response actions taken by the Illinois EPA related to the Lenz Oil Service, Inc., Site from approximately 1984 through 1989, including investigatory activities, incineration of approximately 21,000 tons of contaminated soils, debris and other materials, decontamination activities and other related actions.

e. "EPA" shall mean the United States Environmental Protection Agency and any successor departments, agencies or instrumentalities.

f. "EPA Hazardous Substance Superfund" shall mean the Hazardous Substance Superfund established by the Internal Revenue Code, 26 U.S.C. § 9507.

g. "Illinois EPA" shall mean the Illinois Environmental Protection Agency and any successor departments, agencies or instrumentalities.

h. "Illinois EPA ROD" shall mean the Record of Decision signed by Illinois EPA Director Richard Carlson on January 17, 1986 and amended on January 15, 1987.

i. "Interest" shall mean interest at the current rate specified for interest on investments of the EPA Hazardous Substance Superfund established by 26 U.S.C. § 9507, compounded annually on October 1 of each year, in accordance with 42 U.S.C. § 9607(a).

j. "Paragraph" shall mean a portion of this Consent Order identified by an Arabic numeral.

k. "Parties" shall mean EPA, Illinois EPA and the Respondents.

l. "RCRA" shall mean the Resource Conservation and Recovery Act, as amended, 42 U.S.C. Section 6901 et seq.

m. "Record of Decision" or "ROD" shall mean the EPA Record of Decision for the remedial action to be implemented at the Lenz Oil Service, Inc., Site, to be signed by the Regional Administrator of EPA, Region 5, including any changes and all attachments thereto.

n. "Respondents" shall mean those persons, corporations, or other entities listed in Appendix A who have had an authorized representative sign the signature pages of this Consent Order and which signature pages have been received by EPA prior to the effective date of this Order. The Respondents under this Order are listed in Appendix H. This term shall include all Settling Federal Agencies, unless otherwise noted herein.

o. "Response costs" shall mean all costs of "response" as that term is defined by Section 101(25) of CERCLA, 42 U.S.C. § 9601(25), and Section 3.40 of the Illinois Environmental Protection Act, 415 ILCS 5/3.40.

p. "Remedial Investigation and Feasibility Study Order" or "RI/FS Order" shall mean the Administrative Order on Consent for the Site, Docket Number V-W-89-C-029 entered between the EPA, Illinois EPA, and the RI/FS Respondents effective November 23, 1989, as amended.

q. "Remedial Investigation and Feasibility Study Respondents", or the "RI/FS Respondents" shall mean the persons, corporations or other entities who are parties to the RI/FS Order, other than the EPA and the Illinois EPA.

r. "Section", in reference to a part of this document, shall mean the portion of this Consent Order identified by a roman numeral.

s. "Site" or "Lenz Oil Site" shall mean the Lenz Oil Service, Inc., Superfund Site, located in Lemont, DuPage County, Illinois. The Site contains the Lenz Oil Service, Inc., facility located at the intersection of Illinois Route 83 and Jeans Road, in Lemont, Illinois, as shown on the map in Appendix B, and those areas where hazardous substances from the Lenz Oil Service facility have migrated or come to be located.

t. "State of Illinois" shall mean the State of Illinois, including its departments, agencies and instrumentalities.

u. "United States" shall mean the United States of America, including its departments, agencies and instrumentalities.

v. "Settling Federal Agencies" shall mean the United States' entities listed in Appendix A, and all components, divisions, departments, successors and assigns thereof, who have had an authorized representative sign the signature pages of this Consent Order and which signature pages have been received by EPA prior to the effective date of this Order. The Settling Federal Agencies under this order are listed in Appendix H.

#### **IV. STATEMENT OF FACTS**

6. The Lenz Oil Service, Inc., Site is located at the intersection of Illinois Route 83 and Jeans Road, Lemont, DuPage County, Illinois. The Site is partially located within a designated floodplain area and is approximately 600 feet northwest of the Des Plaines River.

7. Lenz Oil Service, Inc. initiated operations in approximately 1961 as a waste oil and solvent storage and transfer operation. Lenz Oil Service, Inc. submitted a Part A permit application to U.S. EPA on November 19, 1980, pursuant to Resource Conservation and Recovery Act (RCRA), and obtained a waste management permit from the Illinois EPA in 1981. In December 1982, U.S. EPA issued a Consent Agreement and Compliance Order to the facility, requiring the facility to obtain required permits. On November 13, 1984, Lenz Oil Service, Inc., requested the withdrawal of the facility's Part A permit, stating that the facility no longer handled hazardous wastes.

8. During an Illinois EPA Site inspection in 1985, inspectors observed on-site three hazardous waste surface impoundments, three 50,000 gallon underground unlined concrete storage tanks, 35 above-ground tanks and 200 drums. The surface impoundments were constructed of very porous and permeable cinder-type material. The soil was contaminated with oil and solvent wastes containing hazardous constituents, and groundwater surrounding the area was contaminated with volatile organic compounds (VOCs). In addition, organics and metals were detected in surface water runoff and seepage entering a drainage ditch north of the facility.

9. On or about May 1985, Illinois EPA ordered Lenz Oil Service, Inc. and its owner, Mr. Russell, to initiate immediate clean-up actions and to file a closure and compliance plan. Based upon an Illinois EPA inspection in November 1985, the facility appeared to be abandoned, and there appeared to be noncompliance with the Order requiring closure and compliance activities. In April 1986, Mr. Russell filed for bankruptcy, and abandoned the Lenz facility.

10. Hazardous substances have been or are threatened to be released at or from the Site. In 1985 and 1986, Illinois EPA performed surface and subsurface sampling and analysis at the Site. Analysis of soil samples showed that subsurface soil underlying the Site was contaminated with organics such as 1,1-dichloroethane, trans-1,2-dichloroethane, 1,1,1-trichloroethane, toluene, ethylbenzene and xylenes.

11. Analysis of samples showed hazardous contaminants in groundwater underlying and surrounding the facility, including contamination in adjacent residential wells. Samples collected from two monitoring wells during 1985 showed groundwater contamination by boron (4300 ug/l), iron (8100 ug/l), lead (200 ug/l), and chromium (100 ug/l). In addition, two monitoring wells showed contamination with organics such as 1,2-dichloroethane (125 ppb), 1,1,1-trichloroethane (123 ppb), cis-1,2-dichloroethene (460 ppb), toluene (1000 ppb), 2-butanone (13,700 ppb) and xylenes (180 ppb). All residents within one-half mile of the Site have been connected to the municipal water supply, and the wells properly plugged and abandoned.

12. As a result of the release or threatened release of hazardous substances, in compliance with an Illinois EPA ROD dated January 17, 1986, Illinois EPA performed soil clean-up activities on portions of the Site, including the incineration of approximately 21,000 tons of soil.

13. In response to a release or threat of a release of a hazardous substance or substances at or from the Site, Illinois EPA performed an emergency response action and other related actions incurring a total of approximately \$8,357,192 (\$8,205,693 in emergency response costs, of which \$2,939,046 was reimbursed, resulting in unreimbursed emergency response costs totaling approximately \$5,266,647, plus interest, and approximately \$151,499 in allowable RI/FS costs); and will continue to incur response costs at or in connection with the Site. See Appendix C, incorporated herein by reference.

14. Pursuant to Section 105 of CERCLA, 42 U.S.C. § 9605, EPA placed the Site on the National Priorities List (NPL), set forth at 40 C.F.R. Part 300, Appendix B, by publication in the Federal Register in September 1989.

15. As a result of the release or threatened release of hazardous substances into the environment, EPA has undertaken response action at or in connection with the Site under Section 104 of CERCLA, 42 U.S.C. § 9604, and will undertake response action in the future. From 1985 through 1989, Illinois EPA had undertaken an emergency response action at the Site to mitigate soil contamination. Since November 1989, under an RI/FS Order, certain potentially responsible parties for the Site have been performing a remedial investigation (RI) and feasibility study (FS) pursuant to 40 C.F.R. § 300.430. The RI was completed and reported in 1994. A Supplemental RI Report and an FS Report were approved in April 1997. Continuing monitoring of Site conditions have occurred, and were most recently reported in October 1997.

16. Results of the completed RI indicate that a nonaqueous layer of oil contaminated with VOCs, polychlorinated biphenols (PCBs) and heavy metals, located on top of the shallow aquifer beneath and south of the Site, also known as a light nonaqueous phase liquid (LNAPL), is acting as a continuing source of contamination to area groundwater. Samples of groundwater from beneath the Site and its general vicinity contained numerous VOCs, including chlorinated hydrocarbons, toluene, ethylbenzene, and xylenes, as well as semi-volatile organic compounds (SVOCs), PCBs, and heavy metals. Residual contamination is also present in subsurface soils at several locations on the site.

17. Hazardous substances within the definition of Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), have been or are threatened to be released into the environment at or from the Site. Various VOCs, SVOCs, and heavy metals, including those identified in paragraph 11 above, are present in the LNAPL floating on the shallow aquifer, in the shallow aquifer at and down-gradient from the Site, in subsurface oil-saturated soils at the Site, and in surface water drainage ditches at and adjacent to the Site.

18. In response to a release or threat of a release of a hazardous substance or substances at or from the Site, EPA performed a response action, and incurred response costs of \$1,242,181.77 and will continue to incur response costs at or in connection with the Site. See Appendix D, incorporated herein by reference.

19. In response to a release or threat of a release of a hazardous substance or substances at or from the Site, RI/FS Respondents performed a response action, and incurred allowable response costs of \$1,863,005, and will continue to incur response costs at or in connection with the Site. See Appendix E, incorporated herein by reference.

20. Information currently known to EPA and Illinois EPA indicates that each Respondent listed in Appendix A to this Consent Order, which is incorporated herein by reference, arranged for disposal or treatment, or arranged with a transporter for transport for disposal or treatment, of a hazardous substance owned or possessed by such Respondent, or by any other person or entity, at the Site, or accepted a hazardous substance for transport to the Site which was selected by such Respondent.

21. In accordance with Section 122 (g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A), information currently known to EPA and Illinois EPA indicates that the amount of hazardous substances contributed to the Site by each Respondent does not exceed 0.178 percent of the hazardous substances at the Site, and that the hazardous substances contributed by each Respondent to the Site are not significantly more toxic or of significantly greater hazardous effect than other hazardous substances at the Site. Information currently known to EPA and Illinois EPA of the volumes of waste contributed by each Respondent to the Site is listed on Appendix A to this Consent Order, which is incorporated herein by reference. The general nature of the hazardous substances contributed to the Site by Respondents include spent solvents, contaminated waste oils such as used motor, hydraulic, cutting, lubricating and transformer oils, and pigments, inks and kerosene.

22. EPA estimates that the total response costs incurred and to be incurred at or in connection with the Site by the EPA Hazardous Substance Superfund, by Illinois EPA and by private parties is approximately \$24,000,000. This estimated total response cost is based upon the following: Illinois EPA allowable past response costs of approximately \$8,205,693 related to the emergency response and other related actions taken by Illinois EPA; private party expenditures related to the past EPA response actions of approximately \$1,863,005; reimbursement of unreimbursed past EPA response action oversight costs at the Site of approximately \$695,908; and Illinois EPA, EPA and private party estimated future response costs of approximately \$12,500,000. Each Respondent's payment pursuant to this Consent Order is a minor portion of this total amount.

23. Based upon information contained in the administrative record for this Order and the EPA files documenting each Respondent's liability and contribution of hazardous wastes to the Lenz Oil facility, Appendix A constitutes an allocation of the volume of waste contributed to

the Site by each Respondent and the settlement amounts applicable to each Respondent, and is incorporated herein by reference. Upon request, the liability files are available for review by contacting:

Marsha Adams (SR-6J)  
U.S. EPA  
77 W. Jackson Blvd.  
Chicago, Illinois 60604  
or by telephone: (312) 353-9484

Based upon information contained in the administrative record for this Order, Appendix F contains the Pricing Model which provides an average of the price per gallon paid by Lenz for waste oil at various times. The Pricing Model was utilized to estimate the volume of waste attributed to a Respondent's documents indicative of a transaction of waste oil to Lenz, but for which a volume was not provided.

24. In developing and evaluating the settlement embodied in this Order, EPA has considered the potential costs of remediating contamination at or in connection with the Site, past response costs incurred at or in connection with the Site, possible cost overruns in completing the remedial action, and the time-value of money, possible future costs if the remedial action selected for the Site is not protective of public health or the environment, and any potential orphan shares associated with the Site. See Appendix G for an explanation of how the settlement amounts were calculated.

25. The settlement amount for each Respondent in Attachment A who had previously settled their potential liability with the State of Illinois regarding the Lenz Oil Site emergency response has been adjusted to reflect the Illinois EPA's commitment to fund a portion of that Respondent's allocated share. This Consent Order does not compromise, resolve, abrogate or otherwise alter in any way the Illinois EPA's obligations or commitments related to the Site on behalf of those Respondents who had previously settled with the Illinois EPA.

## **V. DETERMINATIONS**

26. Based upon the Statement of Facts set forth above and on the administrative record for this Site, EPA and Illinois EPA have determined that:

a. The Lenz Oil Service, Inc., Site is a "facility" as that term is defined in Section 101(9) of CERCLA, 42 U.S.C. § 9601(9).

b. Each Respondent is a "person" as that term is defined in Section 101(21) of CERCLA, 42 U.S.C. § 9601(21).

c. Each Respondent is a "potentially responsible party" within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1).

d. There has been an actual or threatened "release" of a "hazardous substance" from the Site as those terms are defined in Section 101(22) and (14) of CERCLA, 42 U.S.C. § 9601(22) and (14).

e. The actual or threatened "release" caused the incurrence of response costs.

f. Prompt settlement with each Respondent is practicable and in the public interest within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1).

g. As to each Respondent, this Consent Order involves only a minor portion of the response costs at the Site within the meaning of Section 122(g)(1) of CERCLA, 42 U.S.C. § 9622(g)(1), and Section 22.2a of the Illinois Environmental Protection Act, 415 ILCS 5/22.2a.

h. The amount of hazardous substances contributed to the Site by each Respondent and the toxic or other hazardous effects of the hazardous substances contributed to the Site by each Respondent are minimal in comparison to other hazardous substances at the Site within the meaning of Section 122(g)(1)(A) of CERCLA, 42 U.S.C. § 9622(g)(1)(A) and Section 22.2a of the Illinois Environmental Protection Act, 415 ILCS 5/22.2a.

## **VI. ORDER**

27. Based upon the administrative record for the Site and the Statement of Facts and Determinations set forth above, and in consideration of the promises and covenants set forth herein, the following is hereby AGREED TO AND ORDERED:

## **VII. PAYMENTS**

28. There are two separate payments due for each Respondent and each Settling Federal Agency to this Consent Order as follows:

a. Within 30 days of the effective date of this Consent Order, each Respondent, except the Settling Federal Agencies, shall pay to the EPA Hazardous Substance Superfund, Lenz Oil Service, Inc. Site Special Account, the final EPA settlement amount set forth for that Respondent in Appendix A to this Consent Order.

b. Within 30 days of the effective date of this Consent Order, each Respondent, except the Settling Federal Agencies, shall pay to the Treasurer of the State of Illinois, Hazardous Waste Fund, the final Illinois EPA settlement amount set forth for that

Respondent in Appendix A to this Consent Order.

c. Within a reasonable amount of time after the effective date of this Consent Order, the Settling Federal Agencies shall pay:

i. to the EPA Hazardous Substance Superfund, Lenz Oil Service, Inc., Site Special Account, the final EPA settlement amount set forth for the Federal Agencies in Appendix A to this Consent Order, and

ii. to the Treasurer of the State of Illinois, Hazardous Waste Fund, the final Illinois EPA settlement amount set forth for the Federal Agencies in Appendix A to this Consent Order.

d. Payments by the Settling Federal Agencies are subject to availability of appropriated funds. No provision of this Consent Order shall be interpreted as or constitute a commitment or requirement that a Federal Agency obligate or pay funds in contravention of the Anti-Deficiency Act, 31 U.S.C. Sections 1304, 1341, 1349-51, 1511-19, or any other applicable provision of law.

e. Payments required by this Consent Order to be made by the Settling Federal Agencies shall be made by the United States except where prohibited by law.

29. The final EPA settlement amount has been determined as follows:

a. An initial EPA settlement amount has been calculated for each Respondent based upon the quantity of gallons at the Site attributed to that Respondent, and the EPA Lenz Oil Site response costs described in paragraph 29.c., below. See Appendix A. Qualifying Respondents are receiving credit(s) against this initial EPA settlement amount to determine the final EPA settlement amount; provided however, that the sum of these credits shall not exceed the initial EPA settlement amount. The first credit, described in paragraph 29.b. below, relates to those Respondents who participated in the RI/FS Order with EPA in 1989. The second credit, described in paragraph 30.c., below, relates to those Respondents who were participants in Consent Decrees entered with the State of Illinois in 1987, 1988, 1989 and 1992 regarding surface remediation activities at the Lenz Oil Site by Illinois EPA.

b. Those Respondents who participated in the RI/FS Order with the EPA in 1989 have been credited toward their initial settlement amount with the EPA, as identified in Appendix A, an amount up to 110 percent of the amount of their financial contribution to the RI/FS Respondents, but limited to those costs related to actually implementing the RI/FS Order; provided however, that the sum of all credits for that Respondent shall not exceed the initial EPA settlement amount specified for that Respondent in Appendix A. The credit of up to 110 percent for these Respondents is to acknowledge the voluntary participation in the 1989 RI/FS Order with EPA, and the time value of money previously expended with respect to the Site.

c. Each Respondent's payment to EPA includes an amount reflecting its share of: a) past response costs incurred at or in connection with the Site by EPA and any person other than Illinois EPA; b) projected future response costs to be incurred at or in connection with the Site by EPA or any person other than Illinois EPA; c) a premium of 75 percent on projected future response costs to cover the risks and uncertainties associated with this settlement, including but not limited to, the risk that total response costs incurred or to be incurred at or in connection with the Site by EPA or any person other than Illinois EPA will exceed the estimated total response costs upon which Respondents' payments are based, and d) a premium of five percent on the above sums to those Respondents who had been provided a complete de minimis settlement offer by September 30, 1998, but did not settle claims in the first de minimis AOC, effective March 30, 1999. An incomplete de minimis settlement offer contains unresolved issues such as a volumetric challenge.

30. The final Illinois EPA settlement amount has been determined as follows:

a. An initial Illinois EPA settlement amount has been calculated for each Respondent based upon the quantity of gallons at the Site attributed to that Respondent, and the total costs of the Site to the State of Illinois, including costs related to the Illinois EPA Lenz Oil Site emergency response and the State of Illinois obligations specified in Consent Decrees relating to the Site which were entered in 1987, 1988, 1989, and 1992 described in paragraph 30.b., below. See Appendix C. Those Respondents who were participants in Consent Decrees entered with the State of Illinois in 1987, 1988, 1989 and 1992 regarding surface remediation activities at the Lenz Oil Site by Illinois EPA have received a credit toward their settlement amount with Illinois EPA equal to the initial Illinois EPA settlement amount, as identified in Appendix A.

b. Each Respondent's payment to the State of Illinois pursuant to this paragraph includes an amount reflecting its share of: a) Illinois EPA's past emergency response costs incurred at or in connection with the Site by Illinois EPA; b) the State of Illinois' other past and projected future response costs, incurred or to be incurred at or in connection with the Site and; c) a premium of five percent on the above sums to those Respondents who had been provided a complete de minimis settlement offer by September 30, 1998, but did not settle claims in the first de minimis AOC, effective March 30, 1999. An incomplete de minimis settlement offer contains unresolved issues such as a volumetric challenge. This latter cost includes costs related to the State of Illinois, obligations regarding surface contamination at the Site on behalf of those Respondents who were participants in Consent Decrees entered with the State of Illinois in 1987, 1988, 1989 and 1992. The projected future Illinois EPA response cost is the sum of the projected future non-groundwater remediation cost, including the premium determined for this Site, for those parties who had entered into the 1987, 1988, 1989 and 1992 Consent Decrees with the State of Illinois regarding the Site. The premium covers the risks and uncertainties associated with this settlement, including but not limited to, the risk that total soil response costs incurred or to be incurred at or in connection with

the Site by the Illinois EPA, will exceed the estimated total Illinois EPA response costs upon which Respondents' payments are based.

c. Those Respondents who were participants in Consent Decrees entered with the State of Illinois in 1987, 1988, 1989 and 1992 regarding the surface remediation activities at the Site by Illinois EPA have received a credit toward their settlement amount with the EPA, as identified in Appendix A. This credit is equivalent to that Respondent's share of projected future surface remediation cost, as detailed in Appendix C; provided however, that the sum of the credits shall not exceed the initial EPA settlement amount. This credit for these Respondents is to acknowledge their voluntary participation in the Illinois EPA surface remediation activities, the time value of money previously expended with respect to the Site, and the corresponding commitment from the State of Illinois through this Consent Order to remain obligated for future surface remediation costs at the Site on behalf of each Respondent-participant in the 1987, 1988, 1989 and 1992 Consent Decrees, to the extent provided in those Consent Decrees.

31. a. Except as to the Settling Federal Agencies, each payment for settlement with the EPA shall be made by certified or cashier's check made payable to "Lenz Oil Service Site Special Account." Each check shall reference the name of the Respondent as listed in Appendix A for which the payment is being made, the name of the party making the payment, if different, the current address of the party making payment, the Site name (Lenz Oil Site), the EPA Region (Region 5) and ID Number (05BN), and the EPA docket number for this action (V-W-99-C-553), and shall be sent to:

USEPA, Region 5  
ATTN: Superfund Accounting  
Lenz Oil Service Site Special Account  
P.O. Box 70753  
Chicago, Illinois 60673-0753

b. Payments by the Settling Federal Agencies shall be made to the accounts identified in subparagraph a., above, to the EPA by the inter-agency wire transfer service "OPAC". The Settling Federal Agencies, or the United States on behalf of the Settling Federal Agencies, shall concurrently send confirmation to the individuals identified in Paragraph 33 that payment has been made, identifying each Settling Federal Agency as listed in Appendix A for whom the transfer have been made, the amounts of these transfer, the date(s) of these transfers, the Site name (Lenz Oil Site), the EPA Region (Region 5), the Site ID Number (05BN), and the EPA docket number for this action (V-W-99-C-553).

32. a. Except as to the Settling Federal Agencies, each payment for settlement with the Illinois EPA shall be made, by certified or cashier's check made payable to: the Treasurer of the State of Illinois for deposit in the Hazardous Waste Fund. The name and number of this case, along with the Illinois State I.D. number (L0438020003) and the

Respondent's FEIN or Social Security number shall appear on all checks. The checks should be delivered to: Illinois Environmental Protection Agency, Fiscal Services Section, Accounts Receivable Unit, P.O. Box 19276, 1021 North Grand Avenue East, Springfield, Illinois 62794-9276.

b. Payments by the Settling Federal Agencies shall be made to the accounts identified in subparagraph a., above, to Illinois by "FedWire" or other mechanism mutually agreed upon by Illinois EPA and the United States. The Settling Federal Agencies, or the United States on behalf of the Settling Federal Agencies, shall concurrently send confirmation to the individuals identified in Paragraph 33 that payment has been made, identifying each Settling Federal Agency as listed in Appendix A for whom the transfer have been made, the amounts of these transfer, the date(s) of these transfers, the Site name (Lenz Oil Site), the EPA Region (Region 5), the Site ID Number (05BN), and the EPA docket number for this action (V-W-99-C-553).

33. At the time of payment, each Respondent except the Settling Federal Agencies, shall send a copy of the transmittal letters and payments (e.g., copies of the checks) to:

Stuart P. Hersh (C-14J)  
Associate Regional Counsel

34. Subject to Paragraphs 49 and 50 and approval by the EPA, the U.S. Department of Justice and the State of Illinois, this Order may be modified or amended upon mutual agreement of the Respondent(s) directly affected by the modification or amendment, to include Respondents who qualify as de minimis parties, and address a particular Respondent's settlement payment amount or manner. Such amendment may be based upon, among other things, volumetric errors in Appendix A, an ability to pay analysis made by EPA, or a credit for prior participation in Site response actions as determined EPA, or a lack of notice of the opportunity to participate in this settlement.

### **VIII. FAILURE TO MAKE PAYMENT**

35. a. If any Respondent fails to make full payment within the time required by Paragraph 28, that Respondent shall pay interest and related handling and collection charges on the unpaid balance.

b. In addition, if any Respondent, other than a Settling Federal Agency, fails to make full payment as required by this Paragraph or Paragraph 28, the United States and/or the State of Illinois may, in addition to any other available remedies or sanctions, bring an action against that Respondent seeking injunctive relief to compel payment and/or seeking civil penalties under Section 122(l) of CERCLA, 42 U.S.C. § 9622(l), and/or 415 ILCS 5/1003 and 415 ILCS 735/3-2 for failure to make timely payment.

### **IX. CERTIFICATION OF RESPONDENT**

36. By signing this Consent Order, each Respondent, except Settling Federal Agencies, certifies, individually, that, to the best of its knowledge and belief, it has:

a. conducted a thorough and comprehensive good faith search for documents, reasonable in scope, and has fully and accurately disclosed to EPA and the Illinois EPA, all information currently in its possession, or in the possession of its officers, directors, employees, contractors or agents, which relates in any way to the ownership, operation, or control of the Site, or to the ownership, possession, generation, treatment, transportation, storage or disposal of a hazardous substance, pollutant, or contaminant at or in connection with the Site;

b. not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents, or other information relating to its potential liability regarding the Site after notification of potential liability or the filing of a suit against it regarding the Site;

c. fully complied with any and all EPA requests for information regarding the Site pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e); and,

d. confirmed that the actual or the estimated volume (via e.g., the Pricing Model or tank capacity) of hazardous substances generated and or transported to the Lenz Oil Site by or from the Respondent is not greater than the volume of such substances attributed to the Respondent in Appendix A of this Consent Order.

36.1. The United States acknowledges that each Settling Federal Agency (1) is subject to all applicable Federal record retention laws, regulations, and policies; and (2) has fully complied with any and all EPA and State requests for information pursuant to Sections 104(e) and 122(e) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA 42 U.S.C. § 6927.

## **X. COVENANTS**

37. In consideration of the payments that will be made by Respondents under the terms of Section VII of this Consent Order, and except as specifically provided in Section XI (Reservations of Rights by the United States and the State of Illinois), the United States covenants not to sue or take administrative action against any of the Respondents, except Settling Federal Agencies, and the EPA covenants not to take administrative action against the Settling Federal Agencies, pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, or Section 7003 of RCRA, 42 U.S.C. Section 6973, relating to the Site. With respect to present and future liability, these covenants shall take effect for each Respondent upon receipt of that Respondent's payment as required by Section VII. With respect to each Respondent, individually, these covenants are conditioned upon: (a) the satisfactory performance by Respondent of all of its obligations under this Consent Order; and (b) the veracity of the information provided to EPA by Respondent relating to Respondent's involvement with the Site. The covenants extend only to Respondents and do not extend to any other person.

38. In consideration of the payments that will be made by Respondents under the terms of Section VII of this Consent Order, and except as specifically provided in Section XI (Reservations of Rights by the United States and the State of Illinois), the State of Illinois covenants not to sue or take administrative action against any of the Respondents pursuant to Sections 106 or 107 of CERCLA, 42 U.S.C. §§ 9606 or 9607, or Section 22.2a of the Illinois Environmental Protection Act, 415 ILCS 5/22.2a, relating to the Site. With respect to present and future liability, the covenants shall take effect for each Respondent upon receipt of that Respondent's payment as required by Section VII. With respect to each Respondent, individually, the covenants are conditioned upon: (a) the satisfactory performance by Respondent of all obligations under this Consent Order; and (b) the veracity of the information provided to EPA and Illinois EPA by Respondent relating to Respondent's involvement with the Site. The covenants extend only to Respondents and do not extend to any other person.

## **XI. RESERVATIONS OF RIGHTS**

39. The covenants set forth in Paragraphs 37 and 38 above do not pertain to any matters other than those expressly specified in those Paragraphs. The United States and the State of Illinois reserve, and this Consent Order is without prejudice to, all rights against Respondents with respect to all other matters including, but not limited to:

- a. liability for failure to meet a requirement of this Consent Order;
- b. criminal liability;
- c. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments; or
- d. liability arising from any future arrangement for disposal or treatment of a hazardous substance, pollutant or contaminant at the Site, or transportation to the Site, or future ownership or operation of the Site, after the effective date of this Consent Order.

40. a. Nothing in this Consent Decree shall be deemed to constitute a waiver of the sovereign immunity of the United States or the Settling Federal Agencies pursuant to CERCLA Section 120(a)(4).

b. Notwithstanding any other provision in this Consent Order, the United States and State of Illinois reserve, and this Consent Order is without prejudice to, the right to institute judicial or administrative proceedings against any individual Respondent seeking to compel that Respondent to perform response actions relating to the Site, and/or to reimburse the United States or State of Illinois for additional costs of response, if information is discovered which indicates that such Respondent contributed hazardous substances to the Site in such greater amount or of such greater toxic or other hazardous effects that such Respondent is no longer eligible to participate in this de minimis settlement for the Site because such Respondent contributed an amount at or greater than 0.178 percent of the hazardous substances at the Site, or contributed hazardous substances which are significantly more toxic or are of significantly greater hazardous effect than other hazardous substances at the Site. For purposes of this paragraph, any change to the Pricing Model, Attachment F, subsequent to the effective date of this Order shall not constitute information discovered.

## **XII. COVENANT NOT TO SUE BY RESPONDENTS**

41. Respondents covenant not to sue and agree not to assert any claims or causes of action against the United States or the State of Illinois or their contractors or employees with respect to the Site or this Consent Order including, but not limited to:

- a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund or the State of Illinois based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claims arising out of response activities at the Site;
- c. any claim against the United States or State of Illinois pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to the Site; and
- d. as to the Settling Federal Agencies, nothing in this Consent order shall preclude demand for reimbursement from the Superfund of costs incurred by a Settling Federal Agency in the performance of its duties (other than pursuant to this Consent Order) as lead or support agency under the National Contingency Plan (40 C.F.R. Part 300).

42. Nothing in this Consent Order shall be deemed to constitute preauthorization or approval of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

43. Respondents covenant not to sue and agree not to assert any claims or causes of action against each other with regard to the Site pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613.

### **XIII. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION**

44. Nothing in this Consent Order shall be construed to create any rights in, or grant any cause of action to, any person not a party to this Consent Order. The United States, the State of Illinois and Respondents each reserve any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which that Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a party hereto.

45. In any subsequent administrative or judicial proceeding initiated by the United States or the State of Illinois for injunctive relief, recovery of response costs, or other relief relating to the Site, Respondents shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant action; provided, however, that nothing in this Paragraph affects the enforceability of the covenant not to sue included in Paragraphs 37 and 38.

46. The Parties agree that each Respondent is entitled, as of the effective date of this Consent Order and subject to compliance with the terms of this Consent Order, to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(g)(5) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(g)(5), and 415 ILCS 5/22.2a regarding contribution protection, for "matters addressed" in this Consent Order. The "matters addressed" in this Consent Order are all response actions taken by the United States, the State of Illinois and by private parties, and all response costs incurred and to be incurred by the United States, the State of Illinois and by private parties, at or in connection with the Site.

#### **XIV. PARTIES BOUND**

47. This Consent Order shall apply to and be binding upon EPA, the State of Illinois and upon Respondents and their heirs, successors and assigns. Any change in ownership or corporate or other legal status of a Respondent, including but not limited to, any transfer of assets or real or personal property, shall in no way alter such Respondent's responsibilities under this Consent Order. Each signatory to this Consent Order certifies that he or she is authorized to enter into the terms and conditions of this Consent Order and to execute and bind legally the party represented by him or her.

#### **XV. INTEGRATION/APPENDICES**

48. This Consent Order and its appendices constitute the final, complete and exclusive agreement and understanding among the Parties with respect to the settlement embodied in this Consent Order. The Parties acknowledge that there are no representations, agreements or understandings relating to the settlement other than those expressly contained in this Consent Order. The following appendices are attached to and incorporated into this Consent Order:

"Appendix A" is a computer print-out of the Parties to the Site in alphabetical order, with the following columns: PRP name; volume in gallons; percent of total volume at the Site; initial EPA settlement amount; RI/FS credit; Illinois EPA credit; Final EPA Settlement Amount Due; initial Illinois EPA settlement amount; Illinois EPA credit; Final Illinois EPA Settlement Amount Due.

"Appendix B" is the map of the Site.

"Appendix C" is the State of Illinois' past response costs related to the Site.

"Appendix D" is the United States' past response costs related to the Site.

"Appendix E" is the private parties' past response costs related to the Site.

"Appendix F" is the Pricing Model.

"Appendix G" contains the assumptions, premium considerations and mathematical parameters utilized to determine each Respondent's share.

"Appendix H" (which will be compiled from those Parties who have submitted both copies of the signature page to this Order) contains a list of each Party who has executed this Administrative Order on Consent, and has thereby resolved his liability for the Lenz Oil Services Site as provided in this Order.

#### **XVI. PUBLIC COMMENT**

49. This Consent Order shall be subject to a public comment period of not less than 30 days pursuant to Section 122 (i) of CERCLA, 42 U.S.C. § 9622(i). In accordance with Section 122(i)(3) of CERCLA, 42 U.S.C. § 9622(i)(3), EPA may withdraw or withhold its consent to this Consent Order if EPA receives comments that disclose facts or considerations which indicate that this Consent Order is inappropriate, improper, or inadequate.

#### **XVII. ATTORNEY GENERAL APPROVAL**

50. The Attorney General or his/her designee has approved the settlement embodied in this Consent Order in accordance with Section 122(g)(4) of CERCLA, 42 U.S.C. § 9622(g)(4).

#### **XVIII. EFFECTIVE DATE**

51. The effective date of this Consent Order shall be the date upon which EPA issues written notice to Respondents that the public comment period pursuant to Paragraph 48 has closed and that comments received, if any, do not require modification of or EPA withdrawal from this Consent Order.

**APPENDIX A**

**LENZ OIL  
FINAL DE MINIMIS SETTLEMENT**

## **AOC APPENDIX A**

### **LENZ OIL SECOND *DE MINIMIS* SETTLEMENT PAYMENT PROVISIONS**

Appendix A, *Final De Minimis Settlement Offer Report*, lists all identified *de minimis* parties, their waste volumes, and their settlement amounts as of October 10, 1998. U.S. EPA has revised some of these waste volumes and settlement amounts since October 10, 1998. We list below the correct final figures for all parties in this second *de minimis* settlement. The figures listed below for these settling parties control over the figures of the attached *Final De Minimis Settlement Offer Report*.

#### **FIVE PERCENT PREMIUM INCLUDED IN FINAL SETTLEMENT CALCULATION**

### **Final Settlement Terms for Respondents Demonstrating an Inability to Pay**

The two following respondents provided U.S. EPA with financial and other documentation demonstrating a financial inability to pay the settlement amount for their volume, and they have been offered the alternative settlement terms specified.

<u>Respondent</u>	<u>Determination and Disposition</u>
Montgomery Standard	Settlement in full for \$1.00 (One Dollar) payment to the U.S. EPA
Batavia Standard	Settlement in full for \$1.00 (One Dollar) payment to the U.S. EPA

### **Settlement Terms for Respondents Designated for Publication As Supplemental Signatories**

The following are qualified *de minimis* PRPs being published in the *Federal Register* as supplemental to the Second Lenz Oil De Minimis Settlement. These PRPs had timely accepted and signed the First Lenz Oil *De Minimis* Settlement, but the U.S. EPA failed to include these PRPs in the first Federal Register publication due to administrative or clerical errors. The U.S. EPA revised some of these volumes and settlement figures from those figures stated in the attached *Final De Minimis Settlement Offer Report*. To the extent that figures below differ from those of the attached Report, the figures below control.

## **APPENDIX G**

### **A DESCRIPTION OF THE SETTLEMENT FORMULA**

## **APPENDIX G-DESCRIPTION OF SETTLEMENT FORMULAS LENZ OIL SITE**

### **I. GENERAL ASSUMPTIONS**

- A. Determination of Waste Volume Attributed to Each Party: Documents, including, but not limited to, customer receipts, check and check stubs, phone memoranda, petty cash vouchers, State of Illinois records, and responses to Information Requests pursuant to CERCLA Section 104(e), were relied upon to the extent that they evidence or contain information regarding a transaction with Lenz Oil to determine a waste volume for each party.
- B. Transactions Not Related to the Sale of Waste Material: Where information demonstrates that the transaction with Lenz Oil was not related to the sale of waste material to Lenz Oil, the transaction was excluded from the database.
- C. Duplicative Records: Where it could be reasonably determined by EPA, from the date on the documents, or by other information, that more than one document represented the same transaction, the volume of the transaction was attributed to the party only once. Where such information did not exist, all parties were treated the same by attributing the volume in each transaction document to the party.

### **II. DETERMINATION OF PARTIES**

Identities of individual parties who sent waste to Lenz Oil were based on:

- A. Information, obtained from documents indicating a transaction, identifying the party.
- B. Information provided by the State of Illinois, including waste manifests.
- C. Information obtained by EPA through various EPA investigative authorities and activities including, but not limited to, the work product of civil investigators and information provided to EPA by various entities in response to written Information Requests pursuant to CERCLA Section 104(e).

### **III. DESCRIPTION OF VOLUMETRIC DATABASE**

- A. Information from a variety of documents, including but not limited to customer receipts, check and check stubs, and petty cash vouchers, were utilized to generate a Volumetric Database for the Lenz Oil site. The database lists each potentially responsible party--both de minimis and major--and the corresponding estimated waste volume, in gallons, sent to the Lenz Oil site in Lemont, Illinois that is attributed to that party.
- B. The database contains over 3000 parties and indicates a total waste volume of approximately 4,500,000 gallons was sent to the site.
- C. The percent of the total waste volume which each individual party's volume represented was calculated and included in the database, as well as each party's "ranking" indicating the relative magnitude of its waste volume as compared to others. The highest volume contributor of waste to the site was assigned the ranking of "1".

- D. Other data input into the database include information related to the specific records, or transaction documents, upon which waste volumes were based for each party. This additional information includes, but is not limited to, the date on the document, the name of the party (the "generator") sending waste material to Lenz Oil, the waste volume indicated on the document, the price per gallon ("unit Price"), the dollar amount paid, and the waste type.
- E. For transactions that identify a waste volume, this volume was assigned to the identified party.
- F. For transactions that did not identify a volume, but did identify both a dollar amount paid and price per gallon, a waste volume was calculated from the information provided.
- G. For transactions that did not identify a volume and did not identify a price per gallon, but did provide a dollar amount paid, an attributed volume was calculated based upon a pricing model, described below.
- H. Pricing Model--The objectives of the pricing model were to develop "typical" price per gallon amounts offered by Lenz Oil over the time period (1978 to 1984) when Lenz Oil paid for waste oil and other waste materials. To develop these "typical" price per gallon amounts, records that were dated and that either identified a unit price on them, or provided both a dollar amount and waste volume figure (from which the price per gallon could be directly calculated), were reviewed, and price per gallon amounts and corresponding dates were tabulated. These unit prices were then plotted graphically over time, so that pricing trends, if present, could be determined. The pricing model graph shows the "typical" or average unit price used by Lenz Oil during specific time periods of one year or less between 1978 and 1984, as well as an overall average unit price. The applicable average unit price was used to calculate estimated volumes when information about price per unit or volume was missing regarding a particular transaction. The overall average unit price was used to calculate estimated volumes when information regarding both the date of the transaction and either the price per unit or the volume was missing.

#### **IV. COMPONENTS OF SETTLEMENT AMOUNTS**

- A. Past Costs Included in the Settlement Amounts
  - 1. Past response costs related to the site, including past response costs of private parties and the State of Illinois and oversight costs incurred by EPA.
  - 2. Past emergency removal and related costs incurred by the State of Illinois for the site.
- B. Future Costs Included in the Settlement Amounts
  - 1. Projected future response and oversight (remedial design/remedial action) costs related to groundwater response actions that will be taken at the site.
  - 2. Projected future response and oversight (remedial design/remedial action) costs related to soil response actions that will be conducted at the site.

C. Premium

1. A premium of 75% is applied to all projected future costs to cover risks as described in the Administrative Order on Consent.
2. A premium of one percent is applied to all above calculated amounts to cover costs of a second de minimis settlement and to encourage parties to settle when first offered a de minimis settlement. This premium does not apply to those parties who had presented to EPA factual issues or challenges relating to the volume, party, or ability to pay which were not resolved by EPA prior to September 30, 1998.

D. Credit for Previous Payments

1. For Participants in the Administrative Order on Consent for the remedial investigation/feasibility study (RI/FS Consent Order)--Approximately 200 parties who now qualify for this de minimis settlement signed the 1990 RI/FS Consent Order with EPA and have been participating in and helping to finance RI/FS site activities since that time. These parties will receive a credit of 110 percent of their payments related to the RI/FS AOC work conducted for the site. This credit will not include legal or administrative fees. Amount of credit granted will not exceed the proposed de minimis settlement offer. In the formulas that follow, this credit is denoted as "C".
2. For Participants in the Consent Decrees with the State of Illinois--In the late 1980s and early 1990s, the State of Illinois entered into a series of Consent decrees with approximately 250 parties in order to settle a portion of each party's liability related to the site. The amounts paid under these settlements do not enter directly into the de minimis settlement formulas. Instead, the settlement formula applied to the participants in the State of Illinois Consent Decrees include past and future costs related to non-soil related activities only.

E. Check(s) for final Settlement Amount

1. For those parties who participated in a State of Illinois Consent Decree, ONE CHECK for the specified final settlement amount, "S<sub>us</sub>", as specified in Appendix A, Column 6 ("Final Settlement: USEPA"), will be made out to USEPA.
2. For those parties who did not participate in one of the State of Illinois Consent Decrees, ONE CHECK for part of the final settlement amount, "S<sub>us</sub>", as specified in Appendix A, Column 6 ("Final Settlement: USEPA"), will be made out to USEPA, and ONE CHECK for the balance of the final settlement amount, "S<sub>il</sub>", as specified in Appendix A, Column 7 ("Final Settlement: State of Illinois"), will be made out to the State of Illinois.

V. DEFINITIONS OF TERMS USED IN SETTLEMENT FORMULAS

For purposes of this Appendix, the following terms have the meaning provided.

1. "RI/FS" shall mean the remedial investigation/feasibility study. This refers to the

study conducted, including sampling of soil, sediment, and groundwater, to identify the type and extent of contamination at the site, and the evaluation of feasible alternative remedies.

2. "RD/RA" shall mean the remedial design/remedial action. This refers to the design and actual construction and completion of the cleanup for the site.
3. "FC" refers to future costs related to the site. When the term is followed by the "%" symbol, as in "FC(%)", it shall refer to a particular party's share of these costs.

$$\begin{aligned}
 \text{FC} &= [\text{oversight costs}] + [\text{design and construction costs for clean up}] \\
 &= [\$1,875,000] + [\$12,500,000] \\
 \text{FC} &= \$14,375,000
 \end{aligned}$$

4. "FC<sub>US</sub>" shall mean the future costs related to the site which will be included in the payment check to USEPA. These costs are for the non-soil part of the design and cleanup of the site, including government oversight of such activities. When the term is followed by the "%" symbol, as in "Fc<sub>US</sub>(%)", it shall refer to a particular party's share of these costs.

$$\begin{aligned}
 \text{Fc}_{\text{US}} &= [\text{oversight costs}] + [\text{design and construction costs for clean up}] \\
 &= [\$1,593,750] + [\$10,625,000] \\
 \text{Fc}_{\text{US}} &= \$12,218,750
 \end{aligned}$$

5. "Fc<sub>IL</sub>" shall mean the future costs related to the site which will be included in the payment check to IEPA. These costs are for the part of the design and cleanup related to soil at the site, including government oversight of such activities. When the term is followed by the "%" symbol, as in "Fc<sub>IL</sub>(%)", it shall refer to a particular party's share of these costs.

$$\begin{aligned}
 \text{Fc}_{\text{IL}} &= [\text{oversight costs}] + [\text{design and construction costs for clean-up}] \\
 &= [\$281,250] + [\$1,875,000] \\
 \text{Fc}_{\text{IL}} &= \$2,156,250
 \end{aligned}$$

6. "PC" shall mean past costs related to the site.
7. "PC<sub>US</sub>" shall mean the past costs related to the site which will be included in the payment check to USEPA. These costs are those incurred to investigate the non-soil components of the site, including but not limited to, the costs to investigate parties that may be responsible for the costs of the site. When the term is followed by the "%" symbol, as in "PC<sub>US</sub>(%)", it shall refer to a particular party's share of these costs.

$$PC_{US} = [\text{Costs incurred by private parties as of 4/27/97}] + [\text{Costs incurred by USEPA as of 3/31/97 - Costs paid by PRPs = Unreimbursed Costs}] + [\text{Cost incurred By IEPA related to RI/FS (5/27/97)}]$$

$$PC_{US} = \$1,863,005 + \$1,242,182 - \$546,274 = \$695,908 + \$151,499^1$$

$$PC_{US} = \$2,710,412$$

8. "PC<sub>IL</sub>" shall mean Illinois EPA past costs related to the emergency removal actions taken at the site. When the term is followed by the "%" symbol, as in "PC<sub>IL</sub> (%)", it shall refer to a particular party's share of these costs.

$$PC_{IL} = \$8,205,693$$

9. "C" shall mean the credit for payment made by Respondents who participated in the RI/FS Consent Order.
10. "S" shall mean the total settlement amount for a party.
11. "S<sub>US</sub>" shall mean the part of a party's settlement amount to be sent to USEPA.
12. "S<sub>IL</sub>" shall mean the part of a party's settlement amount to be sent to IEPA.

## VI. FORMULA FOR FINAL DE MINIMIS SETTLEMENT AMOUNT FOR PARTICIPANTS IN A STATE OF ILLINOIS CONSENT DECREE REGARDING THE SITE

### A. Future costs

$$\frac{\text{Party's Estimated Volume}}{\text{Total Volume of Waste}} \times FC_{US} \times 1.75 = FC_{US}(\%)$$

(RD/RA costs related to nonsoil activities)

### B. Past costs

$$\frac{\text{Party's Estimated Volume}}{\text{Total Volume of Waste}} \times PC_{US} = PC_{US}(\%)$$

(past costs related to RI/FS)

---

<sup>1</sup> For the purpose of this settlement, RI/FS costs incurred by the State of Illinois will be those soil-related costs incurred beginning in 1990. All soil-related costs incurred prior to 1990 will be considered as part of the costs related to the emergency removal action.

- C. <sup>2</sup>Final De Minimis Settlement Amount:  $S = S_{US} = FC_{US}(\%) + PC_{US}(\%) -- 110\% \text{ of } C$

A CHECK FOR THE AMOUNT “S<sub>US</sub>” WILL BE WRITTEN TO USEPA

**VII. FORMULA FOR FINAL DE MINIMIS SETTLEMENT AMOUNT FOR THOSE WHO DID NOT PARTICIPATE IN A STATE CONSENT DECREE**

- A. Future Costs

$$\frac{\text{Volume}}{\text{Total Volume}} \times \frac{\text{FC}}{\text{(total RD/RA costs)}} \times 1.75 = \text{FC}(\%)$$

- B. Past Costs Related to RI/FS Incurred by PRPs and Oversight Costs

$$\frac{\text{Volume}}{\text{Total Volume}} \times \frac{PC_{US}}{\text{(past costs related to RI/FS)}} = PC_{US}(\%)$$

- C. Past Costs Related to State of Illinois Removal Action

$$\frac{\text{Volume}}{\text{Total Volume}} \times \frac{PC_{IL}}{\$8,205,693 \text{ (past costs related to removal)}} = PC_{IL}(\%)$$

- D. Final De Minimis Settlement Amount: S

$$S = FC(\%) + PC_{US}(\%) + PC_{IL}(\%) -- 110\% \text{ of } C$$

- E. Amount Sent to USEPA (S<sub>US</sub>)

$$^3 S_{US} = FC_{US}(\%) + PC_{US}(\%) -- 110\% \text{ of } C$$

The amount “FC<sub>US</sub>(%)” is equal to 85% of “FC(%)” and represents that portion of the future costs of RD/RA and associated costs that are related to non-soil activities.

A CHECK FOR THE AMOUNT “S<sub>US</sub>” WILL BE WRITTEN TO USEPA

---

<sup>2</sup> Each final De Minimis Settlement amount will also include an additional one percent premium on the total of this line, unless that party had not received a complete settlement offer from EPA prior to September 30, 1998.

<sup>3</sup> Each final De Minimis Settlement amount will also include an additional one percent premium on the total of this line, unless that party had not received a complete settlement offer from EPA prior to September 30, 1998.

F. Amount Sent to State of Illinois ( $S_{IL}$ )

$$^4 S_{IL} = FC_{IL}(\%) + PC_{IL}(\%)$$

The amount " $FC_{IL}(\%)$ " is equal to 15% of " $FC(\%)$ " and represents that portion of the future costs of RD/RA and associated costs related to soil activities.

A CHECK FOR AMOUNT " $S_{IL}$ " WILL BE WRITTEN TO STATE OF ILLINOIS

---

<sup>4</sup> Each final De Minimis Settlement amount will also include an additional one percent premium on the total of this line, unless that party had not received a complete settlement offer from EPA prior to September 30, 1998.
